St. Xavier's High School, Panchkula has established a niche for itself in the annals of school academics and co-curricular activities. Through the past years the activities buzz has been loud with the accompanying vibrance in the class work. The students and teachers have turned in performances in 2016-17 that surpass previous years.

The ICSE 2016 examination had some outstanding performers led by the dexterous Mehak Arora. Some remarkable Public speaking performances were turned in by Sneha Ajmera and others. Among the sports personalities, the skaters stole the show as usual. Aryan Pal, Raghav Vashisht and Adhiraj Kundlas once more came out victorious.

The school successfully introduced a colourful version of Five-a-Side Soccer for juniors, the 'St. Xavier's School Invitational Football Tournament' for students under 12 years of age. All the above mentioned honours won by our students was made a reality by our industrious teachers and coaches.
